Marygrove Camp

There will be a collection for Marygrove Camp on June 13-14. This is a residential camp open to eligible girls ages 5-13. The Society of St. Vincent de Paul helps over 1000 girls each summer, registering eligible campers through home visits. Families who are experiencing financial or domestic hardship may contact the Society to determine their eligibility.

Each campers holiday is fully subsidized through the generous support of an annual collection held in the parishes throughout the Archdiocese. An 8 day camping experience for children who may not otherwise have the opportunity to enjoy a camping adventure.
