Tropical Storm Ketsana Relief - Philippines

On September 26, Tropical Storm Ketsana (also known as Typhoon Ondoy) struck the Philippines, causing the most severe flooding the country has experienced in more than 40 years. As of September 29, 240 people were reported to have died and an estimated 450,000 had been displaced, many having lost their homes, their property and their livelihoods. With the impact of this disaster still not fully clear, relief efforts are underway around the world to assist the victims of the flooding and landslides related to Tropical Storm Ketsana.

The ShareLife Office is accepting monetary donations to support disaster relief efforts in the Philippines, assisting in the provision of food, shelter, clean water, and medical and cooking supplies for those affected by the storm and flooding. Working through the Catholic Church's official international relief network, Caritas Internationalis, funds will be channelled to Caritas Philippines (NASSA). Initially, NASSA is providing aid for a total of 10,000 families (50,000 people) in the seriously affected areas.

Those wishing to help through a [financial](#) contribution may do so in the following ways:

- Online through ShareLife's website: www.sharelife.org
- By phone through the ShareLife office – 1-800-263-2595 or 416-934-3411
- Through the parish, making cheques payable to:

Sumatra Earthquake Relief - Indonesia

On September 30, a massive earthquake rocked West Sumatra, Indonesia and hundreds of tremors were experienced for several days afterward. As of October 6, the United Nations reported nearly 750 confirmed dead with hundreds more still missing. More than 100,000 homes and buildings, including hospitals and health clinics, were reported destroyed. The extent of the damage continues to be assessed as many of the worst affected communities are in isolated areas.

The ShareLife Office is accepting donations to support disaster relief efforts in Indonesia, assisting in the provision of food, shelter, clean water, and medical and cooking supplies for those affected by the earthquake. Working through our relief partners, aid is being provided to victims while people struggle to cope with the effects of the disaster and work to rebuild their lives.

Those wishing to help through a financial contribution may do so in the following ways:
